

LUNAR RENDEZVOUS FESTIVAL DISTRIBUTION OF FUNDS FORMS

Dear Charitable Organizations:

Welcome to the Annual Lunar Rendezvous Festival! The first Lunar Rendezvous Festival was held in 1965 to celebrate the rendezvous of Gemini IV and Gemini V in space and to preserve the history and accomplishments in the space sciences area. Over the years, the festival has grown beyond its founder's imagination. Each year, hundreds of volunteers work together to foster community spirit and raise funds to benefit the Bay Area. The proceeds from the Lunar Rendezvous Festival are used to award need-based college scholarships and provide program funding for local non-profit organizations in our community. Lunar Rendezvous Festival distributes funds to organizations that have projects that are complementary to the festival's mission statement, which follows.

Mission Statement

Clear Lake Lunar Rendezvous Festival is dedicated to providing community-based support including scholarships for higher education, youth development and educational programs, funding for the arts and historical preservation in the Bay Area Houston/NASA area.

With many demands and requests for charitable donations, the following information will be used to evaluate and review your request for funds from the Lunar Rendezvous Festival. Please identify a project or program you would like to be considered for possible Lunar Rendezvous Festival funds distribution.

By this request, you are providing permission for this information to be used in future publicity and public relations efforts supporting the Lunar Rendezvous Festival. Taking into account the guidelines, bylaws, and the success of the current year's festival, your request will be given careful consideration. Distributions of funds are determined yearly following the completion of the festival at the end of July. ***This completed form and Post Report must be returned via email (dof@lunarrendezvousfestival.org) by August 1st to be considered for distribution of funds.*** Thank you for your interest.

Warm Regards,

Lunar Rendezvous Festival
Advisory Board
